

BATHROOM SAFETY

PRODUCT DESCRIPTION, FEATURES & SPECIFICATIONS

OUR MISSION

Since 1993, HPU Medical Wholesale has dedicated itself to developing and providing health care solutions that allow individuals, with physical challenges, the opportunity to safely enjoy the freedom of increased mobility and independence.

OUR VALUES

We continually work closely with industry professionals to stay informed of market trends and our clients changing needs with an ongoing commitment to our four core values:

Continuously Improve—the quality of life for clients through increased comfort, function and mobility.

Be Accountable—for the solutions we provide.

Exceed Expectations—with results that match the needs of the individual.

Be Progressive—by developing, and introducing new products that reflect our level of dedication to improved mobility and independence.

OUR GOAL

With compassion, commitment, and core values intact, we strive to remain a reliable and responsible source of better living solutions.
