OUR MISSION

Since 1993, HPU Medical Wholesale has dedicated itself to developing and providing health care solutions that allow individuals, with physical challenges, the opportunity to safely enjoy the freedom of increased mobility and independence.

OUR VALUES

We continually work closely with industry professionals to stay informed of market trends and our clients changing needs with an ongoing commitment to our four core values:

Continuously Improve—the quality of life for clients through increased comfort, function and mobility.

Be Accountable—for the solutions we provide.

Exceed Expectations—with results that match the needs of the individual.

Be Progressive—by developing, and introducing new products that reflect our level of dedication to improved mobility and independence.

OUR GOAL

With compassion, commitment, and core values intact, we strive to remain a reliable and responsible source of better living solutions.

LIFT CHAIRS FEATURES

The spring assisted footrest on all models will flip up if it comes in contact with an obstruction when lowering to minimize injury or damage.

Supplied locking swivel casters can be installed on all models, except Earth and Mars which have 3" casters. Ideal for users who may want to move their chair occasionally or rental units.

Our Saturn and Mercury models are upgraded to include a cup holder and adjustable tray for the convenience of the user. Mercury also includes leather upholstery and heat & massage.

The Earth and Mars models are our institutional models that include 3" locking casters, push bars, vertical lift, removable arms and shoulder wings and incontinent proof black upholstery.

FEATURES:

- Lounger style that fully supports the legs (no gap between footrest & seat)
- Removable back for easy handling
- Easy to use hand control
- UL / CUL Approved
- Maximum seat elevation with superb stability in full lift position
- Wide construction provides greater side to side stability
- Top steel base for durability & cross supports
- Engineered bushings & washers at pivot points provide quiet smooth operation & durability
- Direct drive activation synchronizes right & left sides for easy opening
- Low voltage motor, 24 volt
- Battery Back Up

MARS CH4004M (EARTH GREY)

The Mars lift chair is a three position lift chair that, in addition to lifting in a conventional tilt forward manner, will lift vertically to allow side transfers to or from a bed. It comes standard with earth grey incontinent proof upholstery and features four 3" casters for easy repositioning and transportation of users. With detachable armrests and shoulder wings this chair makes side transfers a possibility for those who are unable to stand.

With a Wide/Tall size rating, this chair will accommodate people of wider widths and above average heights. The Mars Lift chair also features a vertical lift function where the entire chair will lift vertically 6" and the arms and shoulder wings can be removed for users who must, or prefer, a side transfer to and from the chair.

- Three position recline
- Four locking 3" swivel casters
- Detachable armrests
- Incontinence proof upholstery
- Push Handle for user transport
