

Transport Chairs

EZee Life™ Transport Chairs, also known as companion chairs, are the perfect solution for transporting people who are unable to walk required distances. They are light weight, fold for easy transport in a vehicle and are very low maintenance.

CH1041 Transport Chair

The CH1041 Transport chair has a 17" seat width, 16" seat depth and 19" seat height. This aluminum framed transport chair weighs only 19 pounds but has a weight capacity of 300 pounds.

Features:

- Weighs only 19 lbs.
- Aluminum frame is lightweight and strong.
- Composite 8" wheels are lightweight and maintenance free.
- Swing-away footrests
- Padded armrests provide additional comfort.
- Nylon upholstery is comfortable, lightweight and easy to clean.
- Cast aluminum back release hinges allows the back to fold down for easy storage, transport and to aid in transfers.
- Rear wheel locks are standard.

CH1044 Transport Chair

The EZee Life™ CH1044 feather lite transport chair features a high 325 pound weight capacity from a lightweight aluminum frame that weighs only 26.5 pounds. Its large 12" rear wheels and 8" casters makes this the easiest transport chair to push over rough terrains and obstacles while carrying larger adults. The vinyl seat and back are lightly padded for comfort making the CH1044 transport chair the ideal solution for shopping trips, doctor's appointments and other outings.

Features:

- Fold down back handles/backrest
- Pockets in both arm panels for storage
- Padded arm rest
- Adjustable height swing away footrest
- Step tubes for curbs and low obstructions
- Flip back armrests
- Vinyl seat and back
- Seat belt
- Attendant & User controlled wheel locks
- Weight capacity of 325 lbs.
