

## The EZee Fold portable power wheelchairs

are the ideal solution for those who want to take a power wheelchair along with them on trips and excursions but don't want to have to rely on wheelchair vans and lifts. For added performance the EZee Fold CH4050 and CH4055 wheelchairs can be fitted with 2 batteries to extend their range. Additional batteries must be ordered separately.

### CH4050/CH4055 EZee Fold Standard

Weighing approximately 47.8 lbs, including one battery, the EZee Fold Standard can easily be folded and lifted into most vehicles while still having a weight capacity of 266 lbs.

**Features:**

- Folds and opens in just 3 seconds.
- Strong and lightweight frame made of high grade aircraft aluminum alloy.
- Stands upright after folding for easy transport and storage.
- Li-ion batteries
- Flip up armrest for easier sliding transfers and to make tables more accessible
- Folding footrest for easier transfers
- Also available with swing away leg rests. (model CH4055)
- Stands upright after folding for easy transport and storage
- Will hold up to 2 batteries which can be charged simultaneously
- 2" Cushion included

*CH4050 will hold either 1 or 2 batteries. All batteries are charged simultaneously on chair. Fixed push handle height.*

*Performance will be affected by user weight and battery condition.*
