

## The EZee Fold portable power wheelchairs

are the ideal solution for those who want to take a power wheelchair along with them on trips and excursions but don't want to have to rely on wheelchair vans and lifts. For added performance, the EZee Fold CH4060 wheelchairs can be fitted with extra batteries. Additional batteries must be ordered separately.

### CH4060 EZee Fold HD 12" Rear Wheels

Weighing approximately 52.5 kg, including one battery, the EZee Fold HD can easily be folded and lifted into most vehicles while still having a weight capacity of 350 lbs.

**Features:**

- Folds and opens in just 3 seconds.
- Strong and lightweight frame made of high grade aircraft aluminum alloy.
- Li-ion batteries.
- Flip up armrest for easier sliding transfers and to make tables more accessible.
- Folding footrest for easier transfers
- Height adjustable backrest
- Stands upright after folding for easy transport and storage.
- Will hold up to 3 batteries which can be charged simultaneously.
- 3" Cushion included

*CH4060 will hold up to 3 batteries. All batteries are charged simultaneously on chair. Height adjustable push handle 450 mm to 650 mm (17.7" to 25.6"). Performance will be affected by user weight and battery condition.*
