

RAMPS

EZee Life Single-Fold and Multi-Fold ramps provide accessibility for people using mobility devices in a variety of environments. Built with the quality you expect, EZee Life Folding Ramps are available in a variety of lengths and are constructed of strong but lightweight aluminum. Our portable ramps provide a durable, safe means of navigating uneven household surfaces including small steps and doorways. Their portable design makes Ezee Life ramps a practical and affordable home accessibility solution.

Single Fold Aluminum Ramp

- **Lightweight**
- **Built-in traction control**
- **Aluminum construction**
