

ROVER 4 SCOOTER

Model: CH4040 - Red & Silver

The Rover is a mid-size folding scooter providing a sporty yet strong design which makes it ideal for indoor or outdoor use. A long list of safety features and a luxurious Memory Foam seat make it a safe and comfortable ride!

The 25 kilometer cruising range means it can keep up with you all day long! This sleek scooter is one of the safest rides on the market and includes tail lights, turn signals, headlights, and running lights to help you stay accident free. The amazing four-point seat structure provides 45% more stability on inclines. The Rover is like the BMW of scooters thanks to its graceful elegance.
