

The G2 EZee Fold portable power wheelchairs

The CH4051 & CH4056 EZee Fold G2 electric wheelchairs with 8" wheels are our 2nd Generation lightweight portable power wheelchairs that fold easily for easy transport and storage. These two models are identical except for frame colour and both offer a range of up to 16 km per battery.

With a seat size of 16" x 16" and a weight capacity of up to 120 kgs (264 lbs.) this chair will fit most average sized adults.

CH4051 & CH4056 EZee Fold Folding Electric Wheelchairs

CH4051: Black Frame CH4056: Red Frame

The batteries for these two wheelchair models are mounted inside the side frames providing added protection and can easily be removed from the front of the chair without the need for bending.
