

2G EZee Fold Elite Electric Wheelchair w/ 8" Rear Wheels

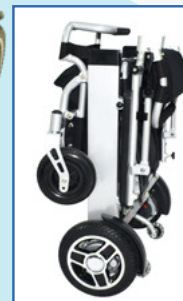

The EZee Fold 2G electric wheelchair with 8" wheels is one of our newest 2nd Generation lightweight portable power wheelchair with an easy folding frame for easy transport and travel but offers a range of up to 20 km per battery. The option of being able to add a second battery will increase double the range.

CH4053 Black

CH4054 Silver

Features:

- Small and portable for all car, train, and airplane travel
- Five-second folding time
- Safely supports up to 120kg/265lbs
- Lightweight aerospace aluminum-alloy frame - only 23kg/51lb including 2 batteries
- Removable, washable seat cushion and backrest (washable up to 95°C)
- Flip-up footrest
- Reliable, easy to use 360° joystick gimbal
- 8cm / 3" ground clearance - comparable with all-terrain models
- Two quiet 180W brushless motors
- Intelligent electromagnetic brake (electronic regenerative disc brake)
- 24V/10AH Lithium battery (with optional 2nd 10AH battery)
- Battery chargeable on or off the board
- Optional Elevating Legrests
