

Transport Chairs

EZee Life™ Transport Chairs, also known as companion chairs, are the perfect solution for transporting people who are unable to walk required distances. They are light weight, fold for easy transport in a vehicle and are very low maintenance.

CH1041 Transport Chair

The CH1041 Transport chair has a 17" seat width, 16" seat depth and 19" seat height. This aluminum framed transport chair weighs only 19 pounds but has a weight capacity of 300 pounds.

Features:

- Weighs only 19 lbs.
- Aluminum frame is lightweight and strong.
- Composite 8" wheels are lightweight and maintenance free.
- Swing-away footrests
- Padded armrests provide additional comfort.
- Nylon upholstery is comfortable, lightweight and easy to clean.
- Cast aluminum back release hinges allows the back to fold down for easy storage, transport and to aid in transfers.
- Rear wheel locks are standard.
